MEMORANDUM FOR: Assistant to DD/I (Administration)

SUBJECT :

:

We received this file from [] SSD/IAS/SO, quite recently. Since SO felt they could not nonestly consider him as a Security Investigator in view of his background and experience, the file was sent for our review. Both [] and I seel that this chap might well fit the requirements of the Office of Statistical Research. Would you kindly carry the ball and inform AFS of the location of this file, presently charged to A & TS/SO?
